MT CURRICULUM GUIDE

M13

Objective: Traveling Packs and Following Gaps
Seen on the Freeway

INGREDIENTS

Prepare a chart to record the following:

Day, time, location, number of vehicles grouped, amount of time between groups

INSTRUCTIONS

Students observe traffic conditions on a limited access highway while riding in a vehicle. Record the number of vehicles traveling in a “pack” and the following distance each vehicle has in the pack.

Complete the chart or create a record sheet that includes the desired information

Record at least 10 different gap situations (include more than one or two days).

Divide the class into groups of four or five and have them discuss and compare information
